NATIONAL MASTER PLAN FOR WORLD CLASS MODERN INFRASTRUCTURE

Prime Minister launched PM GatiShakti - National Master Plan for Multi-modal Connectivity, essentially a digital platform to bring 16 Ministries including Railways and Roadways together for integrated planning and coordinated implementation of infrastructure connectivity projects. The multi-modal connectivity will provide integrated and seamless connectivity for movement of people, goods and services from one mode of transport to another.

- Completing 25,000 Km National Highways in 2022-23
- Unified Logistics Interface Platform
- Open Source Mobility Stack
- Integration of Postal and Railways Network
- One Station One Product
- 400 New-Generation Vaande Bharat Trains
- Multimodal Connectivity Between Urban Transport & Railway Stations
- National Ropeways Development Plan
- Capacity Building for Infrastructure Projects

PM GATISHAKTI NMP AUTHENTICATION

1 Preface

1.1 About this manual

This manual describes the PM GATISHAKTI JANPARICHAY SSO process and explains how to work and use its major features. It serves as a means to describe the User interface and how to use it to accomplish common tasks.

1.2 Support Information

If you require any further assistance after reviewing the manual, please feel free to contact the undersigned.

- 1. Anubhav Bhatnagar (Project Analyst, BISAG-N):9654373254**
- 2. Kumar Sarthak (Project Manager, BISAG-N): 7030206685**
- 3. Dr Vinay Thakur (SDG, BISAG-N): 9868227040**

2 PM Gatishakti Authentication Features

PM Gatishakti is a nationwide platform accessible across India, featuring the latest authentication capabilities provided by NIC. In line with security protocols, the Single Sign-On (SSO) is integrated with the PM Gatishakti National Master Plan Service.

Please follow the steps outlined below to ensure smooth registration and authentication through the JanParichay SSO:

Important Note Before You Begin:

- **If you are a government employee and already use Parichay for other government services/portals, follow Path 3B.**
- **If you are new to both Parichay and JanParichay systems, or don't have any existing government portal credentials, follow Path 3A.**
- **Not sure about your status? Check if you can log in at <https://parichay.nic.in> - if you can successfully log in there, follow Path B.**

3A. For Users Without Parichay/JanParichay Account :

1. **Signup on JanParichay Portal:** Begin by signing up on the JanParichay portal to create your profile.
2. **Update JanParichay Profile:** After signing up, update your profile with your government email ID and other necessary details.
3. **Complete e-KYC on JanParichay:** Complete the e-KYC process using your Aadhaar information for identity verification on the Jan Pariparichay portal.
4. **Registration on PM Gatishakti NMP:** Once your JanParichay profile is updated and verified, proceed to register on the PM Gatishakti National Master Plan (NMP) portal.
5. **Login to PM Gatishakti:** After successful registration, log in to the PM Gatishakti portal. You will then be automatically redirected to your dashboard for easy access to services.

Step 2: OTP Verification

- You will receive an OTP on your registered mobile number. Enter the OTP to proceed. You will then have two possible outcomes:

Step 3: OTP Verified Successfully

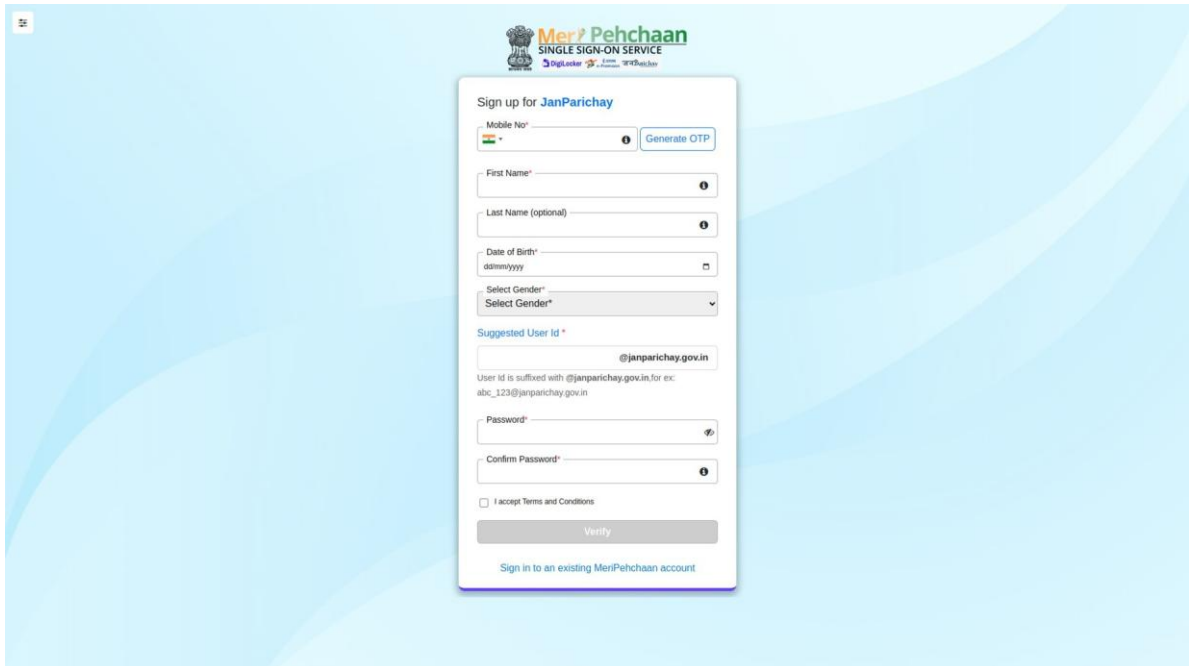

- If OTP verification is successful, you will be redirected to the **Jan Parichay Dashboard**.

Step 4: OTP Verification Failed (Not Registered on Jan Parichay)

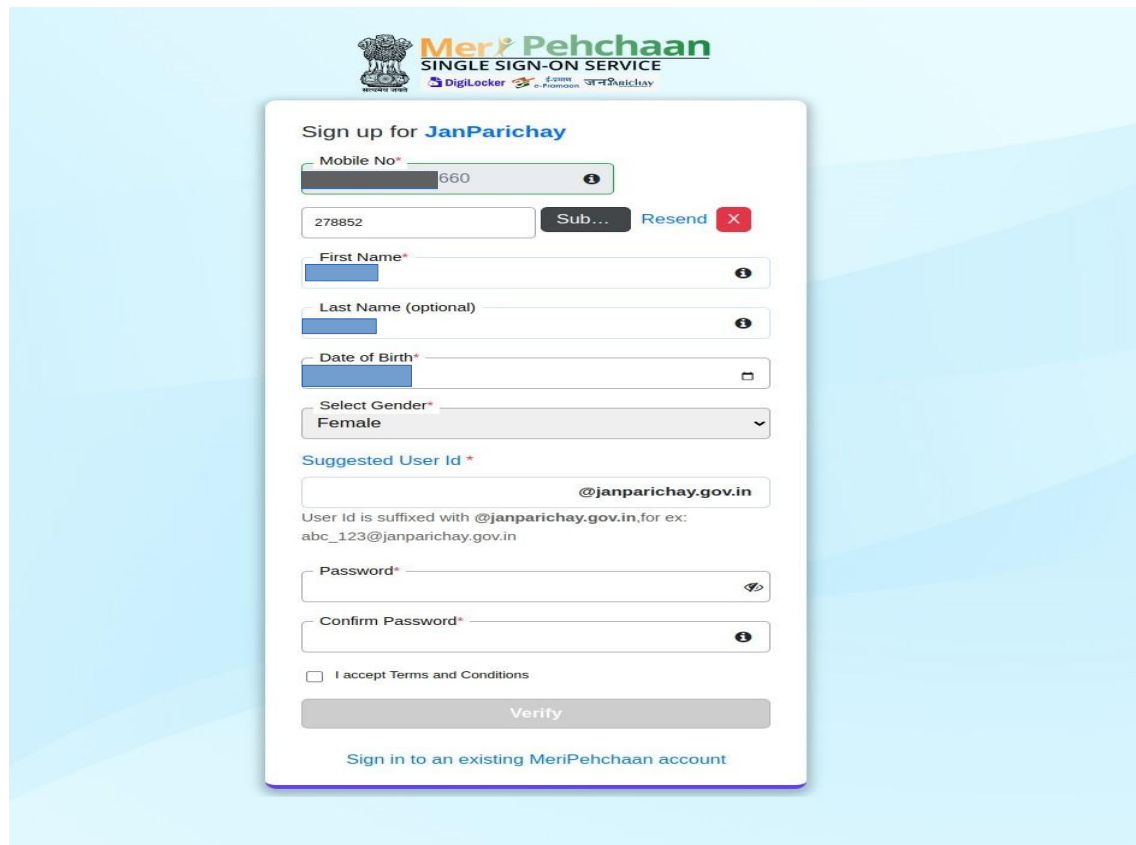

- If you are not registered, you will need to **sign up** on Jan Parichay.

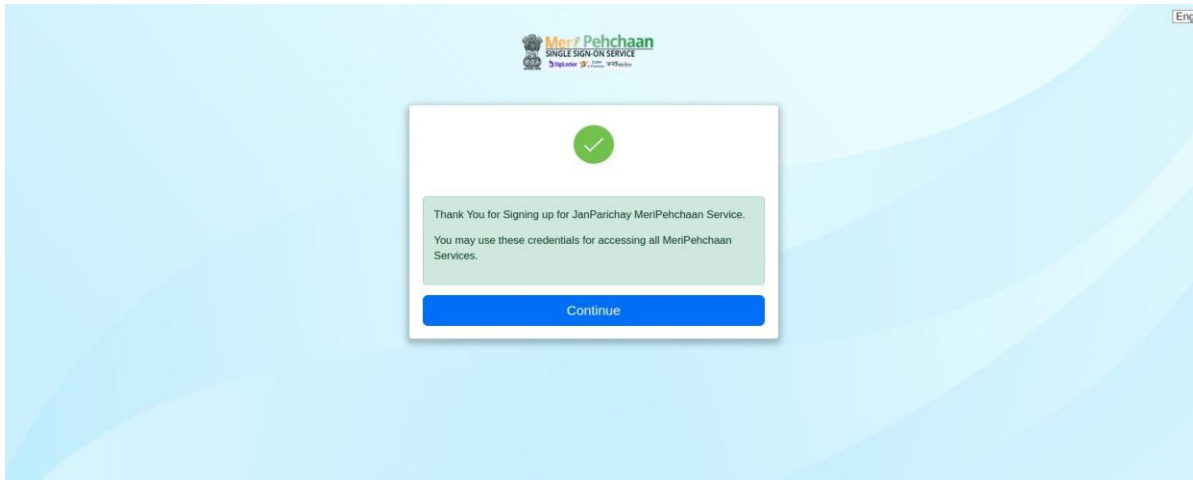

Step 4.1: Fill Signup Details

- Enter your mobile number and submit the OTP received on your mobile. Then, complete the required details to sign up.

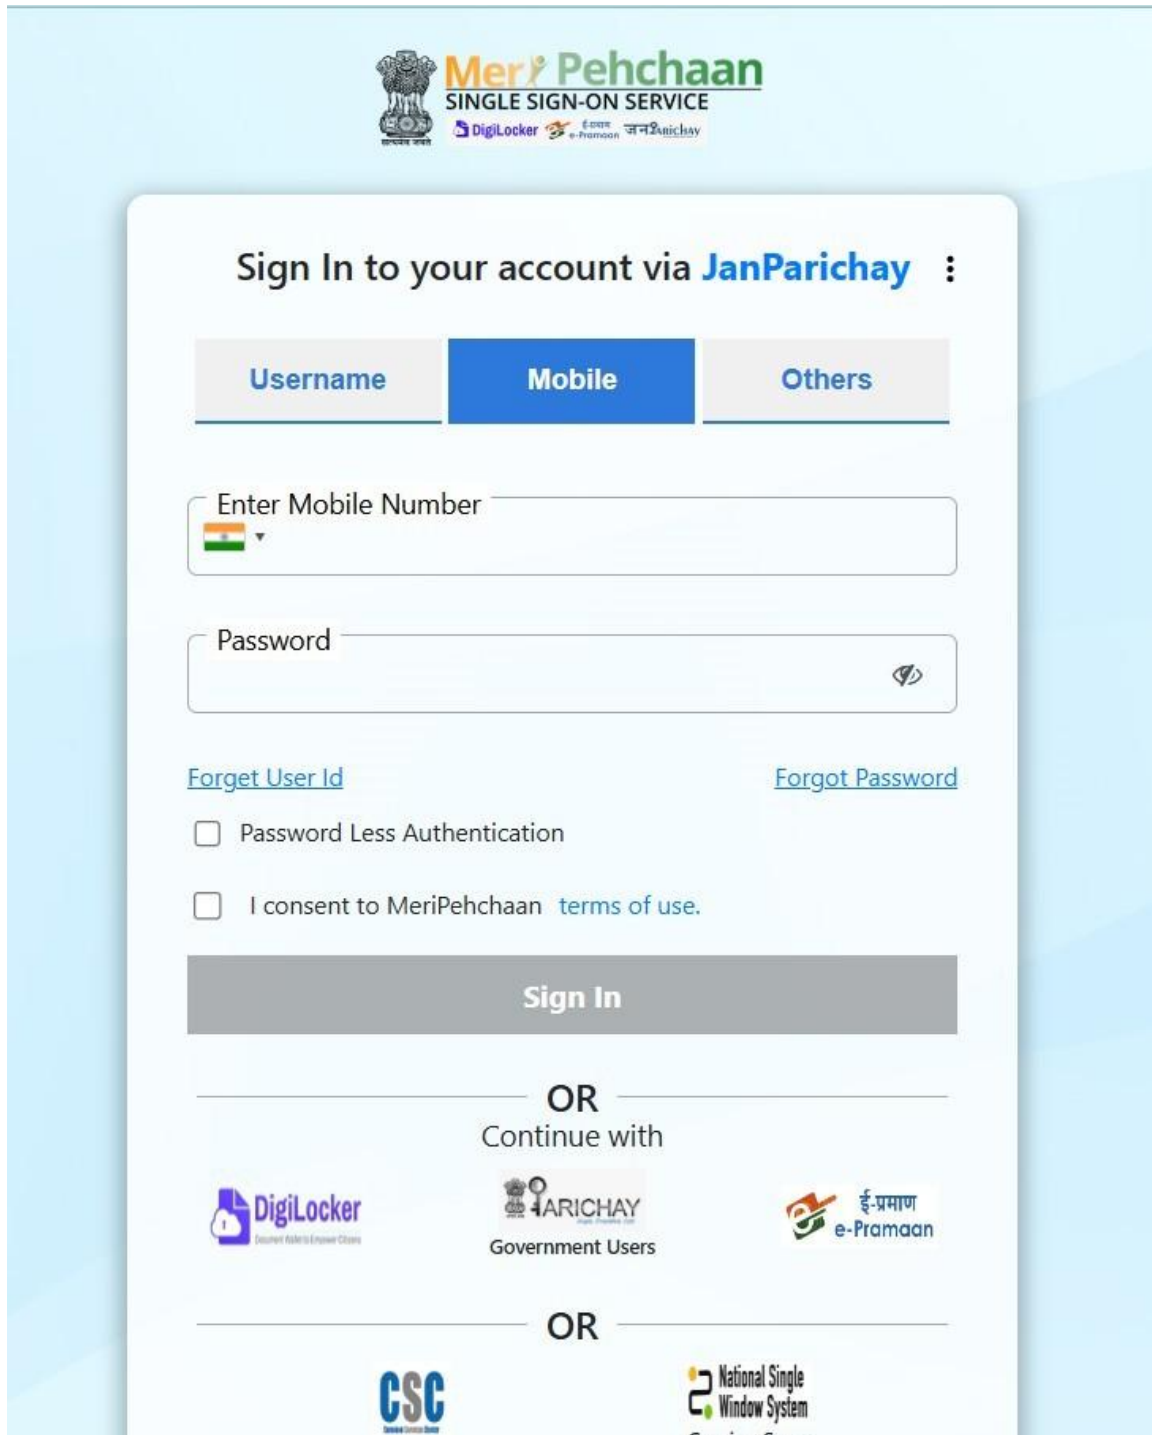

Step 4.2: Complete e-KYC Process

- Enter your **Aadhaar number** and submit the OTP received on your Aadhaar-linked mobile number to complete the e-KYC process.

Step 4.3: Re-login to Jan Parichay

- Once the e-KYC process is complete, log in again using your registered mobile number and OTP.

The screenshot shows the login interface for the Meri Pehchaan Single Sign-On Service. At the top, there is a header with the Government of India emblem, the text "Meri Pehchaan SINGLE SIGN-ON SERVICE", and logos for DigiLocker, e-Pramaan, and JanParichay. Below the header, the main heading reads "Sign In to your account via JanParichay". There are three tabs: "Username", "Mobile" (which is selected and highlighted in blue), and "Others". Under the "Mobile" tab, there is a text input field labeled "Enter Mobile Number" with a dropdown menu showing the Indian flag. Below this is a "Password" input field with a toggle icon for visibility. There are two links: "Forget User Id" and "Forgot Password". Below the links are two checkboxes: "Password Less Authentication" and "I consent to MeriPehchaan terms of use.". A large grey "Sign In" button is positioned below the checkboxes. Below the button, there is a section titled "OR Continue with" with three options: "DigiLocker" (Document Repository & e-Signer Client), "Government Users" (with the JanParichay logo), and "e-Pramaan". Another "OR" section follows, with two options: "CSC" (Common Service Centres) and "National Single Window System" (Coming Soon).

Step 5: Access the Dashboard

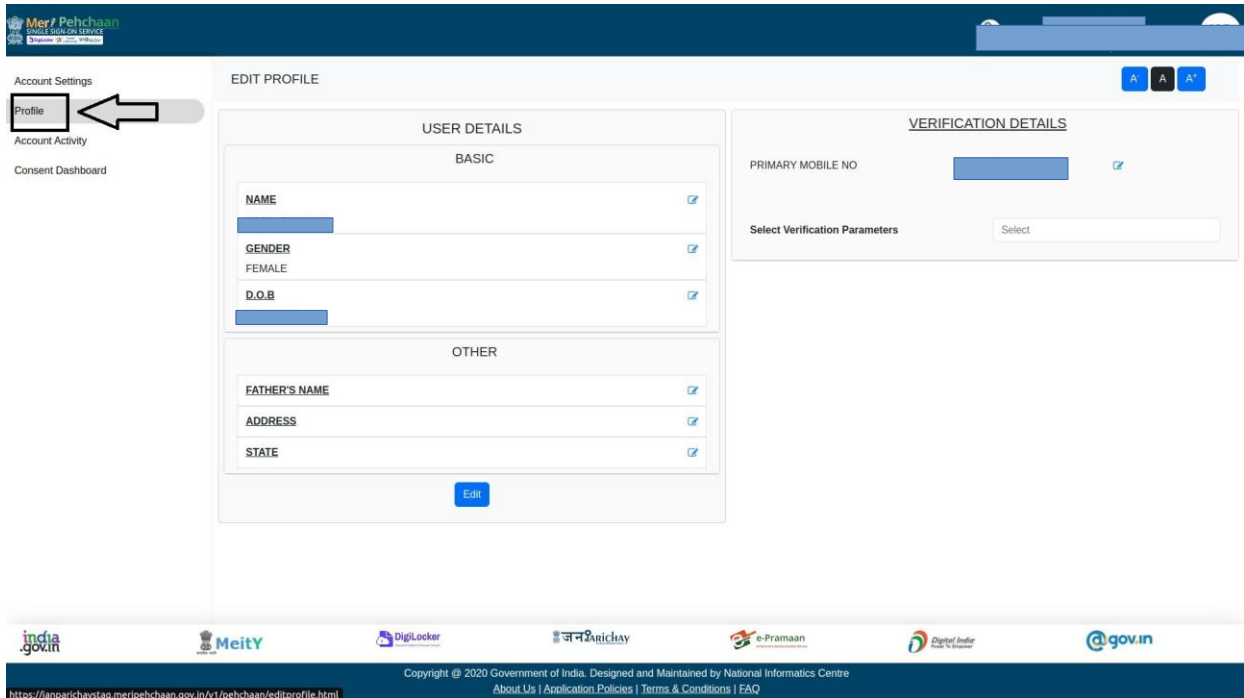

- After successful login, you will be redirected to the **Jan Parichay Dashboard**.

Step 6: Click on the Profile Icon

Step 7: Select "Settings"

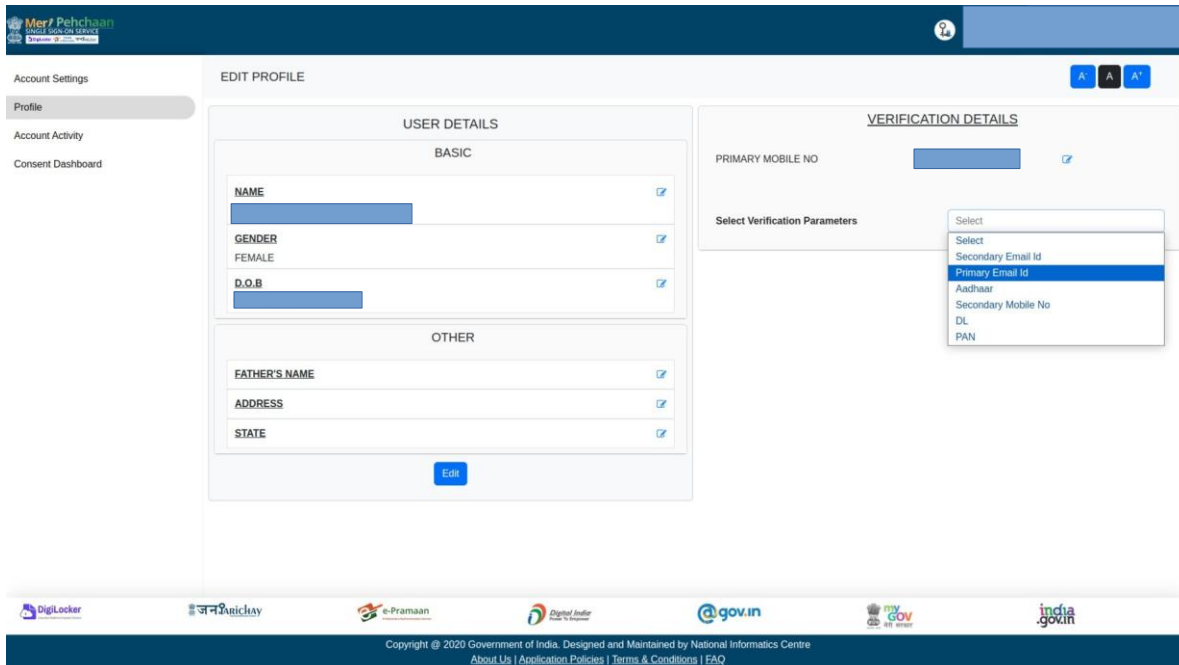

The screenshot shows the MeriPehchaan dashboard interface. On the left is a blue sidebar with a list of states under 'Service Groups'. The main area displays a grid of service tiles, each with the 'जनपारिचय Services' logo and a specific service name. In the top right corner, there is a profile icon with a dropdown menu containing 'Settings' and 'Logout'. A white arrow points to the 'Settings' option. At the bottom of the dashboard, there are logos for 'DigiLocker' and 'e-Pramaan'. The URL at the bottom left is <https://janparichaystag.meripehchaan.gov.in/v1/pehchaan/home.html#>.

Step 8: Click on "Profile"

Step 9: Set Primary Email ID

- Select the **Verification Parameter** and choose **Primary Email ID** to set it.

Step 10: Verify Email ID

- Enter the OTP received on your registered email address to verify your email ID.

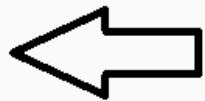

Step 11: Check Aadhaar e-KYC Completion

- You will be able to see the Aadhaar e-KYC status highlighted in your profile.

VERIFICATION DETAILS

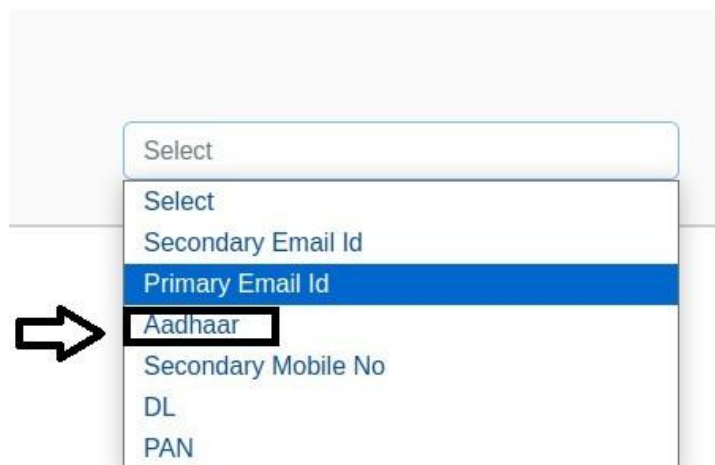

PRIMARY EMAIL ID	[Redacted]	...	
AADHAAR	XXXXX [Redacted] 458		
PRIMARY MOBILE NO	[Redacted]		
SECONDARY MOBILE NO	[Redacted]		 

Select Verification Parameters

Step 11.1: Aadhaar e-KYC Not Done

- If Aadhaar e-KYC is not yet completed, select **Aadhaar** under the **Verification Parameter**.
